Without limitation of any other provisions of this License Agreement, if (a) the Licensee's agreement herein to insure or to name as additional insured the Authority or any other specified additional insured with respect to contractual liability assumed by the Licensee under the terms of this License Agreement or otherwise, or (b) any contract of insurance between the Licensee or any Sub-Licensee and its insurance company shall to any extent be or be determined to be void or unenforceable, it is the intention of the parties that such circumstances shall not otherwise affect the validity or enforceability of the Licensee's agreements and obligations under this License Agreement nor the validity or enforceability of such contract of insurance, each of which shall be enforced to the fullest extent permitted by law.

20. Licensee shall not enter or use for any purpose, except for those purposes specifically a part of the normal and necessary operations of an existing business, subject to review by the Licensor, the License Area between the hours of 11:00 A.M. and 5:00 A.M.
